Quality built... *because quality lasts.*

5 HP

17.7 CFM @ 175 PSI

LxWxH: 35" x 24" x 70"

2 Stage

PUMP RPM: 970

WEIGHT: 515

Suitable For: Light Commercial Use

- 1-2 Person Auto Repair Shop
- Serious Hobbyist at Home or on a Farm

This model is the value leader in performance per dollar cost. The pump is all cast iron except the aluminum head, which provides additional cooling. The "V" cylinder design, Swedish steel reed valves and finned intercooler tubes insure reliable performance and long life. The unit comes pre-wired with a magnetic starter ready for installation and start up.

- 5 HP Single Phase/230v Motor
 - 22 running Amps (Requires 40 Amp breaker)
